

RETURN GRILLES TM

MATERIALS:

Aluminum thickness 0.032" and black 24 gauge sheet steel.

FINISH:

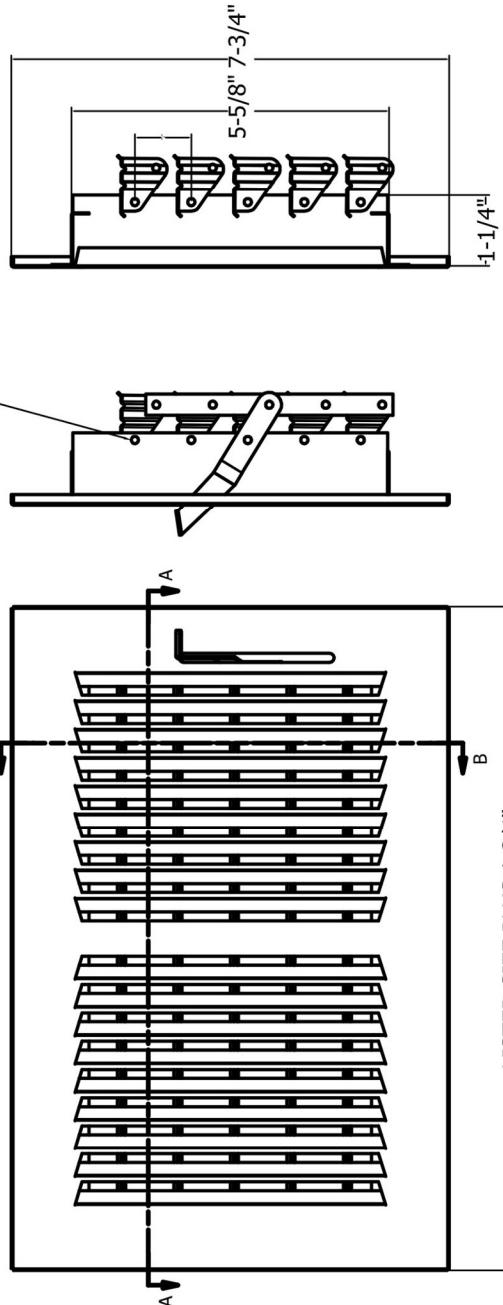

Baked electrostatic paint (polyester) bright white as standard finish or matte white. (also available in gray aluminium and matte black without an extra cost)
Foam seal on the frame to prevent dust spots, airtight plastic packaging for fixing screws.

DESCRIPTION:

Stamped diffuser, two way deflection with square frame. Face with 1/2" spaced fixed fins and multi-shutter valve on the back. Excellent value and aesthetics. Used for ceiling or sidewall installations. Ideal for shallow duct installations. Available in 6" height and 8", 10", 12", 14" and 16" width.
